

PM Carline Only

Viola St. Busses only – enter and exit

HWY 1088 **PM** Carline Entry & Exit

In order to expedite pm carline and remove traffic from 1088, we are going to change the direction of carline. All cars will enter and exit at 1088. We will have a double stacked line. The line in white will go first followed by the line in dark gray. For the safety of all we ask that you be patient and NOT cut or pass another car. We appreciate all that you are doing to help make this school year great!
